

WANTS SOLDIERS

**Need of Troops at Murray
For Lube Martin Trial Said
to be the Reason.**

Lexington, Ky., Jan. 18.—Request for the return of three companies of the Kentucky guards, now on the border, has been made to President Wilson by the state administration, and has been referred to the War Department for final action.

Under present conditions it is impossible to recruit guards in the state through their dread of being forced into border service, and the need for troops at Murray last week and the possibility of another emergency when the trial of Lube Martin is called, prompted the request. An early decision is expected from the War Department.

Should Be Enforced.

How to Treat
Croup Externally

Rub Vick's "Vap-O-Rub" Salve well over the throat and chest for a few minutes—then cover with a warm flannel cloth. Leave the covering loose around the neck so that the soothing medicated vapors arising may loosen the clogging phlegm and ease the difficult breathing. One application at bedtime insures against a night attack. 25c, 50c, or \$1.00. At druggists.

Corns Peel Right
Off With "Gets-It"

2 Drops, and the Corn is a "Goner!"

When you've got to walk on the sides of your shoes to get away from those awful corns—boils, there's only one common-sense thing to do.

Use "Gets-It" Your Corns Won't Swell in Water. Besides, They'll Shrink, Loosen and Peel Off!

Put 2 or 3 drops of "Gets-It" on the corn right away. Pain and inflammation will disappear, the corn will begin to shrivel from that instant—then it loosens and falls right off. There's no other corn-remover in the world that acts like "Gets-It." No new discovery has been made in corn-removal since "Gets-It" was born. Don't forget that fact. "Gets-It" does away forever with the use of salves that irritate, bandages that make a bundle of your toe, plasters that half do the work, knives and scissors that draw blood. Use "Gets-It"—no more digging or cutting. "Gets-It" is sold everywhere. See a bottle, or send on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Hopkinsville and recommended as the world's best corn remedy by L. L. ELGIN.

Gives To Governor.

Dismark, N. D. Jan. 16.—The North Dakota House of Representatives this afternoon passed the women's suffrage measures already passed by the Senate, one of which would grant the vote to women on all offices but those provided by the constitution and the other would provide for a constitutional amendment giving full suffrage. The former goes at once to Gov. Frazier for his signature and if approved by him becomes effective July 1.

Daily Thought.

WEDS THE GIRL
WHO NURSED HIM

**Chesley Adkins Makes Good
Promise He Made When
He was a Toddler of 6.**

Seventeen years ago—more or less—a comely nurse girl in Hopkins county, Ky., listened to the prattle of a little boy whom she was employed to take care of. She was 22. He was 6.

In his child's imagination he pictured the future, as all children do. He saw a picture of himself as a young man, and his nurse, who to him was the most wonderful girl in the world, as his wife.

He told her of his dream. She laughed as he clambered upon her knee and told her he loved her and some day would marry her. She wouldn't believe him.

Yesterday she laughed, but it was a different kind of laugh. Justice Todrank had just pronounced the ceremony that made the boy's dream a reality.

Her name was Miss Linie Fox when she was a nurse girl in Hopkins county, Ky. Now it is Mrs. Chesley Adkins. Both still reside in Hopkins county and will continue to make it their home.—Evansville Courier.

Germany's Terms Next.

A statement of terms from Germany and her allies at least as comprehensive as those set forth by the Entente in replying to President Wilson's note is the next move hoped for in the peace negotiations. If an early reply is not received it is probable that some move will be made to open the way for a German reply.

Beware of Ointments for
Catarrh That Contain Mercury

Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

PROHIBITION DAY.

All over this country a Day of Prayer for National Constitutional Prohibition will be observed by the W. C. T. U. on to-day, January 18th,—also a service of thanksgiving for the wonderful victories for the movement in 1916 and already in 1917! The sweeping decision of the United States Supreme Court in upholding as constitutional and valid the Webb-Kenyon law prohibiting shipments of liquor from wet to dry states is a great cause for rejoicing and thanksgiving, as it is to the fight in the prohibition movement only in importance to the proposed constitutional amendment.

The Union here will have a meeting to-day at the Christian church. A program has been arranged consisting of timely and interesting talks and special temperance music, in addition to the Scripture readings and seasons of prayer. Everybody is very cordially invited to attend—the men are especially asked to come. Several business men of the city will have a part on the program. The teachers and pupils of the City schools are urged to come in the afternoon.

The hours will be from 10 to 12 in the morning and from 2 to 4 in the afternoon.

TWO OPERATIONS.

Mr. Bert Eckert, of the county, underwent an operation Monday, and is doing well.

At the Jennie Stuart Hospital Tuesday night John Lacy, of Lafayette, underwent an operation, which was performed by a surgeon from Nashville. His condition is satisfactory.

Democrats and G. O. P. Even

Washington, Jan. 17.—A list of members of the next house of representatives, prepared by South Trimble, clerk of the house, and made public today, gives 215 democrats, 215 republicans, two progressives, one prohibitionist, one socialist and one independent. The tabulation, which is unofficial, has been held up pending the outcome of close contests, and finally was issued after an announcement that Representative Scully, democrat, of New Jersey, had been re-elected. Republicans, while conceding its accuracy, declared that a final decision that Representative Barchfield, republican, of Pennsylvania, had been elected would upset the figures. The name of Representative Barchfield's democratic opponent is given in the list.
